

SERVICE LEVEL AGREEMENT

Synthetic sample contract for academic project testing only.

1. Service Availability

The Service Provider shall maintain a monthly service availability target of 99.5%.

2. Incident Response

Critical incidents shall receive an initial response within 2 hours.

3. Resolution Target

Critical incidents shall have a target resolution time of 8 hours.

4. Service Credits

If monthly availability falls below 99.5%, the Client shall receive a service credit of 10% of the affected monthly service fee.

5. Maintenance

Planned maintenance shall be communicated at least 48 hours in advance.

6. Escalation

Unresolved critical incidents may be escalated to senior management after 4 hours.

7. Reporting

The Service Provider shall provide a monthly service performance report.

8. Contract Relationship

This SLA forms part of the parties' commercial service arrangement and should be read together with the applicable service agreement.
