

DATA PROCESSING AGREEMENT

Synthetic sample document for academic testing only.

1. Purpose

The Processor shall process personal and business data only for providing contracted services.

2. Data Retention

Personal data shall be retained for no longer than 12 months after service completion unless law requires longer retention.

3. Security

The Processor shall apply encryption, access controls, and periodic security reviews.

4. Breach Notification

The Processor shall notify the Controller of a confirmed security incident within 24 hours.

5. Subprocessors

Subprocessors may be appointed only with prior written authorization.

6. Audit

The Controller may conduct one compliance audit each year with reasonable notice.

7. Return of Data

Upon termination, data shall be returned or securely deleted within 30 days.
